

Anubhav Verma

PRODUCT DESIGN, ART DIRECTION

A diligent graphic designer with relevant experience in UI-UX, Motion Graphics, 3D Modeling, V.F.X and Video Editing for a prolonged period of over 4 years. With in-depth knowledge of Adobe Creative Suite, my determination and perseverance enable me to enhance the detailing and overall efficiency of the project.

TECHNICAL SKILLS ✨

Figma, Adobe Xd, Adobe photoshop, Adobe illustrator, Adobe after effects, Adobe premiere pro, Blender

GENERAL SKILLS ✨

Ingenuity, Good Communication, Brainstorming, Focus, Multitasking, Planning, Conflict resolution, Interactive Media, Attention to detail, Coordination, Active listening, Branding, Leadership

MY EXPERIENCE ✨

FIVE MINDS: 2020 - 2021

Initiated my corporate career here by diving into Social Media. My daily tasks included Social Media Creatives, Video Editing, and Brand Building. Five Minds was a massive push to my creative abilities, technical skills and career enhancements in terms of growth and knowledge.

MILLION DREAMS: 2021 - 2021

Worked on my time management skills, efficiency and skillset while managing more than 4 clients at a time. Got a hands-on Packaging design, mockups, Figma, and other key components of the designing world.

SOCIALNINJAZ: 2021 - Present

Diversified my portfolio and abilities by diving into UI-UX, Branding, Video Editing, and core design technologies. Aailed the opportunities for client servicing by conducting meetings and discussions about multiple design theories. Currently, I am heading the Creative Department
